Indictment of Roy Cohn on 9/3/63 for perjury, conspiracy, and obstruction of justice arose out of the Grand Jury probe conducted by U. S. Attorney Robert Morgenthau, Southern District of New York (SDNY) of an alleged \$50,000 bribe in August, 1959 to Morton Robson while he was Assistant U. S. Murray Gottesman, an attorney who was involved in the United Dye case, also was indicted with Cohn. We conducted considerable investigation in this matter at the specific request of Morgenthau. Trial of Cohn and Gottesman now scheduled for 3/16/64 in U. S. District Court, SDNY.

This is to advise of information received that  
Thomas A. Dolan, Attorney for Cohn, stated during the latter  
part of the week ending January 18, 1964, he had contacted  
United States District Judge Archie G. Brown, Southern  
District of New York, who has been assigned to try this case.

While talking to Brown, Dolan told him that  
FBI Agents had been interviewing clients of Cohn to determine  
the amount of legal fees paid to Cohn and the business  
involving their retaining Cohn. According to Dolan,  
Judge Brown became quite angry and stated that this was a  
very unethical practice and must be stopped immediately.  
Judge Brown intimated to Dolan Cohn's case would be thrown  
out of court if such practice continued. It is noted

MR. MOHR:

RE: ROY COHN  
BRIBERY

L. B. Nichols called me at 10:00 p. m., 1/20/64. He stated that Tom Boland, Roy Cohn's attorney, had gone down the latter part of last week to the offices of Federal Judge Dawson. Dawson is the judge who has been assigned to try the case involving Roy Cohn.

While talking to Dawson, Boland told him that FBI Agents had been interviewing clients of Cohn's for the purpose of determining the amount of legal fees being paid to Cohn and the business involving their retaining Cohn. Nichols stated that Judge Dawson became quite angry and stated that this was a very unethical practice and must be stopped immediately. He indicated that Dawson intimated to Boland that Cohn's case would be thrown out of court if such practices continue. I told Nichols that this, of course, was something for Dawson to discuss with the Department of Justice and not the FBI. Nichols stated he knew this but was afraid that the FBI might be embarrassed.

Nichols, of course, is a great backer of Cohn's and is advising and counselling him concerning his case.

Respectfully,

C. D. DeLoach

Reference is made to my memorandum dated January 22, 1964, which advised of information obtained that Thomas A. Bolan, Attorney for Cohn, allegedly advised United States District Judge Archie G. Dawson, Southern District of New York, that FBI Agents were contacting clients of Cohn. Judge Dawson reportedly commented that this was unethical and must be stopped immediately.

This matter was discussed with United States Attorney Robert M. Morgenthau, Southern District of New York, on January 23, 1964. He advised he was aware of Bolan's conference with Judge Dawson and Assistant United States Attorney Gerald Walpin attended that conference.

Morgenthau stated that it was his information that at this conference Bolan had told Judge Dawson that Internal Revenue Service was circularizing clients of Cohn. Walpin advised Judge Dawson that the United States Attorney's Office was not participating in the Internal Revenue Service investigation of Cohn. Morgenthau stated that to the best of his information there was no criticism by Judge Dawson of the action by Internal Revenue Service and there was no mention of the FBI.

The foregoing is furnished for your information.

MORGENTHAU stated that in connection with preparation of this case for trial it was his intention to have certain clients of COHN's interviewed; and that he fully intended to request the FBI to do so. MORGENTHAU also stated that he felt that the information, which the Bureau had received, was given to the Bureau in an effort to "scare" since he did not feel that the interview of clients, which he would request or had requested the Bureau to do, was in any way unethical.

Mr. MORGENTHAU stated he was most appreciative of the Bureau's bringing this information to his attention.

1964, with USDC Judge DAWSON, attended by representatives  
of the USA's office, in addition to BOLAN. BOLAN indicates  
that he informed DAWSON that the Treasury Department had  
recently been interviewing a number of COHN's clients, had  
circularized all of the banks, brokers and insurance  
companies, within the Metropolitan area, concerning COHN and  
had requested the names and addresses of all the clients of  
SAXE, BACON & O'SHEA. According to the memorandum,  
Mr. WALPIN of the USA's office, stated his office was not  
participating in that investigation. The memorandum indicates  
that JUDGE DAWSON stated that the timing of Internal Revenue  
was very bad and directed WALPIN to inform the Treasury Depart-  
ment that the interviews and contacts with COHN's clients should  
be brought to an immediate halt, pending COHN's trial, and  
if necessary he, JUDGE DAWSON, would contact Commissioner of  
Internal Revenue.

It will be noted that the second paragraph is  
at variance with what USA MORGENTHAU told ASAC ALEXANDER  
and AUSA WALPIN has indicated to the case agent that he  
received no such instructions from JUDGE DAWSON.

It would appear from the above, that the information received by the Bureau is completely false and erroneous since we have not been interviewing clients of COHN's and there appears to have been no mention of any action by the FBI at the conference with Judge DAWSON, according to statements made by AUSA WALPIN and the memorandum purportedly prepared by BOLAN does not mention the FBI.

It is suggested that this information be made available to the Department.

AUSA WALPIN stated that the IRS representatives told BOLAN that their investigation had nothing to do with the coming trial of ROY COHN. BOLAN refused to allow DRISCOLL to be interviewed and telephoned Judge DAWSON to make arrangements for the conference on 2/4/64.

At the conference, AUSA WALPIN stated that BOLAN described the above incident with IRS representatives to Judge DAWSON. AUSA WALPIN said he informed Judge DAWSON that the IRS investigation was separate and distinct from this case. AUSA WALPIN stated that Judge DAWSON agreed with the government and said he would take no action against the IRS investigation.

AUSA WALPIN related further that BOLAN then told Judge DAWSON that ROY COHN had still not obtained an attorney and therefore BOLAN requested adjournment of this matter until September or October, 1964. AUSA WALPIN advised that Judge DAWSON told BOLAN that he, BOLAN, and ROY COHN had in September, 1963, when the indictment was filed, requested a speedy trial and Judge DAWSON said he intended to see they got one. Judge DAWSON told BOLAN the trial would commence 3/16/64, and that BOLAN had still had sufficient time to prepare for the defense of COHN.

DAWSON, SDNY, complaining that the government has a "mail watch" on all mail received by ROY COHN. AUSA WALPIN related that on 2/7/64 Judge DAWSON replied by letter to BOLAN. He said Judge DAWSON stated that he could take no action against such a complaint received by written communication and added that BOLAN should request a meeting in court at which time he should make appropriate motions regarding the "mail watch".

Enclosed herewith is an article from "The New York Times" issue of 2/17/64, captioned "Roy Cohn Says U. S. Intercepts Mail." Also enclosed is an article from the "Daily News" issue of 2/17/64, captioned "Roy Cohn: U. S. Grabs Mail."

AUSA GERALD WALPIN, SDNY, advised that on 2/13/64 Judge ARCHIE O. DAWSON, SDNY, issued an order directing the government to show cause why this indictment should not be dismissed. The order to show cause was based on a motion by THOMAS A. BOLAN regarding a mail cover on COHN as set forth in reairtel. AUSA WALPIN added a hearing on the order is scheduled for 2/28/64.

As previously set forth, NYO has not utilized a mail cover in this investigation.

NYO continues to furnish top priority attention to this matter and Bureau will be kept informed of all pertinent developments.

Exhibit that was attached to papers submitted to Federal Court last week by Roy M. Cohn

By EDWARD RANZAL on Feb. 28 before Judge Dawson. The defendants also are charged with conspiring to obstruct justice by attempting to prevent indictments in the case against four men.

Roy M. Cohn has asked for son why the indictment should not be dismissed. The order also directs the Government to show cause why any evidence obtained as a result of the alleged interception should not be suppressed, and directs that the interceptions cease immediately.

Attached to papers submitted last week to Federal Judge Archie O. Dawson was a copy of a purported special Post Office Department order for the interception of the mail addressed to Mr. Cohn's lawyer, Thomas A. Bolan, at Mr. Bolan's home in Cambria Heights, Queens.

Mr. Bolan, a member of Mr. Cohn's law firm of Saxe, Bacon & O'Shea, obtained an order for the Government to show cause

On the purported Post Office Department order is the heading, "Orders to Box Section or Other Special Orders." Printed in pen or pencil are the words "indefinite—until canceled."

The document pertaining to Mr. Bolan is dated March 29, 1963, and states:

"Confidential: Submit all first-class mail to supervisor. Do not reveal this to addressee or other unauthorized person."

## COHN CHARGES U.S. INTERCEPTS MAIL

Continued From Page 1, Col. 4

Bolan said a photostatic copy of the "confidential" order came into his possession on Feb. 6. The document, he contended, "shows clearly that the Government has been intercepting my mail."

He declined to comment on how he had obtained a copy of the order to intercept his mail or how he had found out that his mail was being intercepted.

A spokesman for the New York Post Office said the interception of mail was not its responsibility. She added that this was one of the duties of the Postal Inspection Service, which cooperates with various law enforcement agencies and is responsible to the Postmaster General of the United States.

Robert J. Hickey, head of the Postal Inspection Service here, was unavailable for comment.

During the alleged period of interception, Mr. Bolan said,

mail dealing with Mr. Cohn's case has been addressed to Mr. Bolan from Mr. Cohn and from witnesses and potential witnesses.

"Certain of this mail," Mr. Bolan continued, "has contained highly confidential communications in content. The order has been in effect not only during the entire time I have been acting as Mr. Cohn's counsel in defense of the indictment, but also was in effect for a number of months prior to the indictment when, known to the Government, I acted as attorney for Mr. Cohn in connection with the grand jury investigation being conducted by it."

Mr. Bolan said he had received additional information that the Government's interception of the mail was not limited to himself, but also included Mr. Cohn and other members of their law firm. He added:

"I have been informed and believe that at the request of United States Attorney [Robert M.] Morgenthau that all mail coming into and out of the offices of Saxe, Bacon & O'Shea at 598 Madison Avenue, New York City, has been and continues to be intercepted and that the person in charge of the

interception is one Postal Inspector Hickey."

Mr. Bolan charged that this was "a flagrant and unconstitutional interference with Mr. Cohn's right to counsel."

Mr. Morgenthau declined to comment on the accusation.

Mr. Bolan advised the court that Mr. Gottesman, the co-defendant, joined in seeking dismissal of the indictment.

# Roy Cohn: U.S. Grabs Mail

Roy M. Cohn, under federal indictment for perjury, charges in a court action which came to light over the weekend that the government has been intercepting his mail and that of his lawyer for 10½ months.

On petition of the lawyer, Thomas A. Bolan, Federal Judge Archie O. Dawson on Thursday issued an order directing the government to show cause on Feb. 28 why the indictment should not be dismissed.

The order also directs the government to show cause why any evidence obtained from any such intercepted mail should not be suppressed—and in the meantime to stop the interceptions immediately.

## Trial Set for March 16

Bolan and Cohn are both members of the law firm of Saxe, Bacon & O'Shea. Cohn is scheduled to go to trial before Judge Dawson on March 16 on the perjury charge, which grew out of his testimony before a grand jury investigating the United Dye & Chemical Corp. stock swindle.

He and Murray E. Gottesman, another lawyer similarly accused, are also charged with conspiring to obstruct justice by attempting to prevent the indictment of four men in the case.

Bolan charged the mail interception was ordered at the request of U. S. Attorney Robert M. Morgenthau.

## Purported Copy of Order

Attached to the papers he submitted to Judge Dawson was a copy of what purported to be a special Post Office Department order, dated March 29, 1963, and marked "confidential," for the in-

terception of all first class mail directed to Bolan or his wife at their home in Queens.

The lawyer said the order came into his possession Feb. 6. He

added that he had received further information that the government also was intercepting Cohn's mail and that of other members of their law firm.

Today's "Washington Daily News" newspaper contains an item which states that Cohn has asked the Federal Court in New York to dismiss the Perjury indictment against him on the grounds the Government has been intercepting his and his lawyer's mail for almost a year.

We have checked with our New York Office and we do not have and have not had a mail cover on Roy Cohn nor has a mail cover been utilized on any person in this investigation by us.

This case relates to the investigation of the alleged payment of \$50,000 in about August, 1959, to Morton Robson, while he was an Assistant U.S. Attorney (USA), Southern District of New York (SDNY), and to Roy Cohn, by the subjects of a Securities and Exchange Commission (SEC) case involving the United Dye and Chemical Corporation, to control the indictment in that SEC case. Allegedly as a result, Allard Roen, Samuel Garfield, Irving Pasternak and Allen Swan were omitted from the indictment handed down by a Federal grand jury, SDNY. The case subsequently was represented to the Federal grand jury and all subjects were indicted for the SEC violation.

Considerable investigation has been conducted by the FBI as a result of specific requests for investigation received by the New York Office from United States Attorney Robert Morgenthau, SDNY.

On September 3, 1963, the Federal grand jury, SDNY, returned a ten-count indictment, charging Cohn and Gottesman with Perjury and Obstruction of Justice. Both pled not guilty and are awaiting court action. Federal Judge Archie O. Dawson, SDNY, has been appointed by the chief judge, SDNY, to handle the case. Trial is now scheduled to begin 3/16/64. The New York Office maintains close liaison with the office of the USA and any requests for investigation by the USA are afforded top priority attention.

The foregoing is for your information.

AUSA Gerald Walpin, SDNY, was recontacted by NYO regarding necessity for SA [REDACTED] to appear for pretrial and to testify in the forthcoming trial of Roy Cohn and Murray E. Gottesman. AUSA Walpin stated interview of Gottesman by SA [REDACTED] and SA [REDACTED], NYO is one of most important parts of evidence against Gottesman and since defense will surely try many tactics to lessen weight of evidence of this interview, he feels both agents will be necessary witnesses and again requested SA [REDACTED] appear for pretrial conference 3/12/64.

Next radio contact with San Juan is 4 P.M. If contact missed, the next following contact with San Juan is 6 P.M.

This case relates to the investigation of the alleged payment of \$50,000 in about August, 1959, to Morton Robson while he was AUSA, SDNY, and to Cohn by subjects of SEC case involving United Dye and Chemical Corporation to control indictment in that SEC case. Extensive investigation has failed to corroborate the bribe allegation but Cohn and Gottesman indicted by Federal Grand Jury, SDNY, 9/3/63 for perjury and Obstruction of Justice. Trial now scheduled to begin 3/16/64, USDC, SDNY.

**GENERAL INVESTIGATIVE DIVISION**

Hearing held by Federal Judge Dawson, New York City, 2/29/64 on defense motion to dismiss indictment of Roy Cohn and Murray Gottesman because of mail cover U. S. Attorney (US) placed on them and Cohn's attorney, Thomas Eolan. We have had no mail cover in this case. AUSA Walpin admitted mail cover placed by USA's office. Motion to dismiss tentatively denied. Walpin, per attached, states he erred when he advised Judge Dawson no investigation resulted from USA's mail cover. He recalls two non-productive leads, which we covered per request of USA, arose from mail cover.

Walpin is informing Judge Dawson by letter of his error. Trial set for 3/16/64, Southern District of New York.

XII. PROSECUTION

AUSA GERALD WALPIN, SDNY, advised that at 4:30 PM, on February 4, 1964, a conference was held in the Chambers of USDJ, ARCHIE O. DAWSON, SDNY.

b7  
C-D

At the conference, AUSA WALPIN stated that BOLAN described the above incident with IRS representatives to Judge DAWSON. AUSA WALPIN said he informed Judge DAWSON that the IRS investigation was separate and distinct from this case. AUSA WALPIN stated that Judge DAWSON agreed with the government and said he would take no action against the IRS investigation.

AUSA WALPIN related further that BOLAN then told Judge DAWSON that ROY COHN had still not obtained an attorney and therefore, BOLAN requested adjournment of this matter until September or October, 1964. Judge DAWSON told BOLAN the trial would commence March 16, 1964, and that BOLAN had still had sufficient time to prepare for the defense of COHN.

NY 58-1232

AUSA GERALD WALPIN advised on February 7, 1964, that on February 6, 1964, THOMAS BOLAN submitted a letter to USDJ ARCHIE O. DAWSON, SDNY, complaining that the government has a "mail watch" on all mail received by ROY COHN. BOLAN requested Judge DAWSON take appropriate action and added he has documented proof to support this allegation.

AUSA WALPIN related that on February 7, 1964, Judge DAWSON replied by letter to BOLAN. He said Judge DAWSON stated that he could take no action against such a complaint received by written communication and added that BOLAN should request a meeting in court at which time he should make appropriate motions regarding the "mail watch".

On February 13, 1964, AUSA WALPIN advised that USDJ ARCHIE O. DAWSON issued an order directing the government to show cause why the indictment should not be dismissed. The order was based on a motion filed by THOMAS A. BOLAN regarding the above described mail cover. AUSA WALPIN added that a hearing on the order is scheduled for February 28, 1964.

The "New York Times" issue of February 17, 1964, contained an article entitled, "Roy Cohn Says U.S. Intercepts Mail". This article read in part as follows:

"Roy M. Cohn has asked for dismissal of a perjury indictment against him on the ground that the Government has been intercepting his mail and that of his lawyer for almost a year.

"A copy of a purported special Post Office Department order for the interception of mail addressed to the home of Thomas A. Bolan, Mr. Cohn's lawyer, was attached to papers submitted to Federal Judge Archie O. Dawson last week in connection with the dismissal request.

NY 58-1232

"Mr. Bolan, who is a member of Mr. Cohn's law firm of Saxe, Bacon and O'Shea, lives in Cambria Heights, Queens.

"Judge Dawson ordered the Government to show cause on Feb. 28 why the indictment should not be dismissed. The court order also directs the Government to show cause why any evidence obtained as a result of the alleged interception should not be suppressed, and directs that any interceptions cease immediately".

The "New York Times", issue of February 18, 1964, contained an article captioned, "Post Office Denies It Tampered with Cohn's Mail". This article read in part as follows:

"The Post Office Department denied yesterday that it had delayed, tampered with or opened the mail of Roy M. Cohn or his lawyer, Thomas A. Bolan.

"Robert J. Hickey, head of the Postal Inspection Service, refused to discuss specifically Mr. Cohn's charge that his mail and Mr. Bolan's had been intercepted on orders of the Justice Department.

"Mr. Hickey said, however, that since the eighteen-hundreds the Post Office had assisted law-enforcement agencies with a mail cover operation. This consists, he said, simply of recording the names that appear on envelopes; it causes no delays in delivery.

"Under no circumstances, Mr. Hickey continued, would mail be delayed, tampered with or opened. A Federal statute prohibits this and a violator is subject to a five-year prison term and a \$500 fine.

"It is believed that law-enforcement agencies use the addresses furnished by the Post Office for leads in investigating a crime."

NY 58-1232

# PASSING SCENE

By WILLIAM S. WHITE

## An Odor of Police-State Methods

An unpleasant odor of police-state methods—of instances of illegal wire-tapping and of Federal snooping over the mail of private persons—is arising from the vicinity of the United States Department of Justice.

The victims of these episodes have been, of course, either highly unpopular or even "bad" men, in the minds of many. This superficial circumstance, however, is wholly irrelevant to the deep, root fact that this abuse of the Federal investigative power is fundamentally alien to a free society. It is mortally offensive to the constitutional guarantees of freedom and privacy which above all it is this same Justice Department's responsibility to shelter rather than attack.

Attorney General Robert F. Kennedy, the department's head, owes a duty to his position and to the American tradition not simply to put a stop at once to every form of this unfairness. It is his obligation as well to punish those officials involved in it—resolutely and pitilessly.

### Has Higher Function

For the Department of Justice has one function even higher than that of fighting crime and subversion. This is the lofty duty to protect and defend the Constitution and the Bill of Rights of the people—including the "bad" people—under it.

Though there is no evidence that the Justice Department has been running actually wild in this area, it is all the same a fact that recent examples of extra-legal Federal action against so-called "bad-dies" are troubling many reasonable men, most notably in the United States Senate.

Roy Cohn, the New York lawyer under Federal indictment on perjury and conspiracy charges, complains that his mail is under Government surveillance—a clear and undeniable violation of his basic rights as a defendant in a criminal case brought against him by that same Government. Justice Department spokesmen first deny any Federal-mail watch on their behalf. Subsequently, they are compelled to admit the truth of Cohn's complaint; they then blame it on an assistant Federal prosecutor.

A Federal judge, Archie O. Dawson, feels obliged publicly to denounce the incident as "shocking"—as indeed it is, in spite of the fact that Cohn in his day was an eager part of the pack of professional accusers of other men who gathered around the late Senator Joseph R. McCarthy of Wisconsin.

Edward Levinson, a Las Vegas (Nev.) gambler—albeit, a perfectly legal gambler under the laws of that State—says before a Senate committee investigating the Bobby Baker case that Federal authorities "bugged" his telephones. This sort of thing has repeatedly been condemned by the courts of this country as a dirty business.

It is disclosed at the same time by United Press International that Nevada members of Congress had gone to President Johnson—himself a life-long antagonist of all forms of illicit Federal snooping—to protest reported Federal wire-tapping in both Las Vegas and Reno, even before the Levinson affair. UPI reports that Senator Howard Cannon of Nevada had then been assured by a Justice Department official that there would be no Federal wire-tapping in that State.

### Handed Subpoena

And to add to all this unpleasant and disturbing business, Levinson, in the midst of his appearance before the committee in the Baker case, is handed a subpoena in an income-tax investigation by a Federal agent who invades the very Senate without its knowledge or permission to work this blatantly intimidating unfairness to a Senate witness.

The point to be stressed in all this is that good intentions are no substitutes for correct Federal procedures. For unless the constitutional rights of all of us—including, and even particularly including the Cohns and Levinsons, whatever their real or alleged sins—are kept safe, the rights of none of us can be guaranteed in the end.

The understandable and proper desire of Federal agents and prosecutors to enforce the law must not be further confused with the fateful duty of these agents and prosecutors to uphold something else called the Constitution of the United States.

GENERAL INVESTIGATIVE DIVISION

Indictment of Roy Cohn on 9/3/63 for perjury, conspiracy, and obstruction of justice arose out of the Grand Jury probe conducted by U. S. Attorney Robert Morgenthau, Southern District of New York (SDNY) of an alleged \$50,000 bribe in August, 1959, to Cohn and Morton Robson while he was Assistant U. S. Attorney SDNY to control the indictment in a Securities Exchange Commission matter involving the United Dye and Chemical Company. We conducted considerable investigation in this matter at the specific request of Morgenthau.

New York has been instructed to discontinue indices check of jury panel. Trial now set for 3/23/64 SDNY.

Re your memo March 4 FBI investigation Morton Robson.  
Cannot complete report by March 16. Have asked commercial  
section determine whether names appear in articles of  
incorporation filed at public registry for five companies  
listed. Will telegraph this information probably by March  
13.

If names do not appear assume Consul's certification this  
effect sufficient and copies articles of incorporation  
not needed. If latter needed estimate additional week  
or ten days required and cost of 30 to \$50 each name  
and company. If this desired post requests fiscal data  
to cover costs.

To obtain actual corporate documents other than articles  
of incorporation Panama law requires court order, probably  
involving legal suit, as this post has previously reported.  
This could require several months.

Please advise.

THOMAS A. BOLAN made motion for two (2) months delay in start of trial before USDJ ARCHIE O. DAWSON, SDNY, this date. Motion based on:

1. Prejudice created in NYC through showing of motion picture "Point of Order";
2. Prejudice created by IRS interviews and investigation; and interviews of clients by FBI at request of USA;
3. Prejudice created by publicity given statement by AUSA WALPIN that mail cover was necessary because of BOLAN's intimidation of witness.

Judge DAWSON denied the motion but added that any juror who has seen "Point of Order" will be excused.

Judge DAWSON stated that FRANK RAICHLE had requested a delay of one week because of previous commitments. Judge DAWSON granted this and said trial will start at 10:30 a.m. 3/23/64.

JUDGE DAWSON TENTATIVELY DENIED BOLAN/S MOTION TO DISMISS INDICTMENT PENDING RECEIPT OF MEMORANDUM OF LAW TO BE FILED BY BOLAN BY FOUR PM, MARCH THREE NEXT. JUDGE DAWSON STATED THERE WAS NO EVIDENCE TO BE SUPPRESSED SINCE NONE WAS GAINED BY GOVERNMENT.

JUDGE DAWSON STATED IT WAS SHOCKING, STUPID, AND SOMETHING THAT WOULD BE DONE IN RUSSIA FOR THE USA/S OFFICE TO PLACE MAIL COVER ON ATTORNEY OF DEFENDANT AFTER INDICTMENT WAS FILED. HE INFERRED MAY ALSO BE VIOLATION OF POSTAL LAWS BUT SAID THAT QUESTION DID NOT ENTER THIS CASE AND TENTATIVELY DENIED MOTION TO DISMISS INDICTMENT.

BOLAN ASKED FOR HEARING ON MOTION TO HAVE GOVERNMENT RETURN ALL COHN/S MATERIAL. AUSA WALPIN STATED THIS HAD BEEN DONE. BOLAN DISAGREED. JUDGE DAWSON STATED HE WOULD TAKE THIS UP AT BEGINNING OF TRIAL MARCH SIXTEENTH NEXT.

Reference is made to the teletype of February 29, 1964, from the New York Office concerning the placing of mail covers on Roy Cohn and [REDACTED] by the Internal Revenue Service at the request of the United States Attorney, Southern District of New York. We have conducted considerable investigation in this case as a result of specific requests from the United States Attorney but we have not had a mail cover on any of the defendants or any other person in the case. The Director noted: "I want all mail covers we have in operation reviewed as to need and value of the same and to be most circumspect in establishing mail covers. H."

These are but two examples of the continuing value of mail covers in our investigation.

Messrs. Evans and Rosen have advised that the mail covers instituted in their Divisions have been reviewed and are fully justified.

GENERAL INVESTIGATIVE DIVISION

This hearing relates to the allegation by Roy Cohn's lawyer, Thomas Bolan, that the Government has been intercepting Cohn's and Bolan's mail for almost a year. We have conducted considerable investigation as a result of specific requests from U. S. Attorney (USA) Robert Morgenthau, Southern District of New York (SDNY), but have not had a mail cover on Cohn, Bolan or any other person in this case.

Cohn, [REDACTED]

[REDACTED] now claims USA's Office has not returned all those records while AUSA Walpin states they have been returned. We are not involved in this dispute which is between the USA's Office and Cohn.
